

## Katsuyama Sagicho Festival Stamp Rally Instructions

1. The Katsuyama Sagicho Festival Stamp Rally involves visiting the turret (*yagura*) of each area of the town and receiving their unique stamp. This includes Tomita, despite not having a turret, and finally the Festival Office when you go to receive your prize (a total of 14 stamps).
2. When using the stamp at a turret, please stamp in the corresponding space for that turret on the Stamp Rally sheet, e.g. Naka-ushiro stamp in the Naka-ushiro space.
3. Using the same stamp multiple times for other turret locations will not count, so be sure to only stamp once per person.
4. Stamp Rally sheets are available to buy at the following locations: the Festival Office, the Downtown Rest Area, and the Yoshino, Sawa and Motomachi 2-chōme turrets.
5. When you have collected all the stamps you can, please show it to the staff at the Festival Office.
6. The Stamp Rally will run for the 2 days of the festival. The Stamp Rally sheets will be available to buy on Saturday 21st February 13:00 - 18:00, and on Sunday 22nd February 10:00 - 18:00. Prizes will be available to collect until 19:00 on both days.
7. Stamps are also worth points that differ by the turret:

  9. **4 points** Yoshino
  10. **3 points** Motomachi 2-chōme, Tatekawa, Sawa
